

FACILITIES & SERVICES

Bunkering

Refuelling within Cairns Marlin Marina is available 7 days per week. To book a refuelling appointment:

Trinity Petroleum

P: +61 (0) 7 4051 5955

M: +61 (0) 408 515 955

Channel 16 VHF 'Mobil Marlin'

Gas

Gas is supplied through Origin Energy, nearest outlet Draper Street opposite Navy Base. Gas bottles can be swapped at Cairns Charts and Maps at the Reef Fleet Terminal, downstairs of the marina office.

Black Water

Disposal of black water, treated or untreated into the marine environment is strictly prohibited. Pump out options are available. Please contact the Marina office to discuss methods of discharge.

Laundry

Laundry facilities, including washing machines and dryers, are available at the Marina amenities.

Waste

The marina waste facilities are located at the Marina amenities and services buildings adjacent to F Finger. These marina waste facilities include waste compactor and oil disposal bins.

Parking

A Marina carpark is available for Marina patrons. Access cards and permits are required for entry into the carpark.

Fire hydrants and hose reels are located at all fingers and berths.

MSQ's Cyclone Emergency Plan can be found at MSQ website

Electricity

All Cairns Marlin Marina berths are provided with single-phase electrical connections up to 15 amps included in the berth fee. Three phase shore power up to 200 amps is available on request at specific berths.

Electricity greater than 15 amp single phase is charged at Ergon Energy tariff rates.

Water

Fresh potable water is available to all berths.

Amenities

Marina amenities are located adjacent to F finger at the Marina site. Access cards are required to access the amenities.

Security

Regular security patrols of the Marina occur day and night and CCTV cameras operate throughout the facility. Marina users should ensure that their vessels are kept secure at all times.

Access Cards

Access cards are required to access all gates and amenities. The Marina office will issue access cards when you check into the Marina. Please ensure you have your access card with you at all times and access cards can be returned prior to departure.

Dinghy Berths

Dinghy berthing is only permitted in the designated area along "E" Finger. This area will be available via an access card and is available from the Seaport Operations Office. Any dinghy not complying with these rules may be removed from the Marina. Scraping or cleaning of dinghies is prohibited in the Marina complex.
